**MSA 4X4 customers expect the best,** Which is why integrated fully adjustable Air Inflated Lumbar Support is now included as standard on some MSA 4X4 Canvas Seat Cover front seats.

The patented MSA 4X4 integrated Air Lumbar Support provides adjustable Lumbar Support where and when you need it most. With a unique, fully adjustable air inflated bladder insert, you can position the support to suit you perfectly with the internal Velcro system. The supplied air valve allows you to inflate as much or as little air support to suit your needs at any time.
