

THE WORLD'S BEST SELLING DROP SLIDES

LIGHTER. STRONGER. SAFER. SMARTER.

DESIGNED BY MSA 4X4 ACCESSORIES BACK IN 2007,
THE MSA 4X4 DROP SLIDE IS THE ORIGINAL AND THE BEST!

The Drop Slide glides out from its stowed position and lowers a full 30cm in one smooth, safe and easy motion, enabling the platform to remain in a perfectly horizontal position the whole time.

It allows for unrestricted access to your fridge, toolbox or generator at a safe level with ease, before raising the slide in one very light and easy motion back into its stowed position.
